APPLICATION FOR MATERIAL PLAT CHANGE REVIEW

This application is to evaluate changes that have occurred to a plat since a Certificate of Assured Water Supply (Certificate) or Water Report has been issued for the subdivision. Certificates are issued based on the subdivision's plat and in the names of the property owner(s). If a plat is reviewed after the Director issues a Certificate or a water report and the changes to the plat are material, the holder may: 1) apply for a new certificate or water report for the revised plat, 2) use the original plat for which the certificate or water report was issued, or 3) revise the plat so that any changes are not material.

Changes to a plat that are considered material are described in A.A.C. R12-15-708.
